

**Announcement of Contest of Tenders together with the Terms of Reference
Inquiry on the contract:**

"The acquisition of mixers with capacity of 120-150 t/h"

1. Name and address of the Buyer.

Metalpol – Węgierska Górka
34-350 Węgierska Górka
Kolejowa Street 6

2. Subject of the order

Delivery of one or two mixers type intensive mixing for overall capacity of mixing of the molding sand from 120 to 150 tons per hour, together with control systems of molding sand parameters, thus guaranteeing the relevant quality of mixing and reproducible performance of molding sand necessary to the flaskless molding.

Mixer parameters:

- Intensive mixing type mixer, for example. Turbine mixer
- Mixing capacity of 120 to 150 tons per hour of molding sand
- Total cycle time with loading and unloading ("door to door") - at least 120 seconds, the effective mixing time at least 80 seconds
- Age of equipment (mixers) of up to five years, with the age of the mixer will be granted an appropriate score according to the criteria specified in Section 13

Elements of the mixer:

- Ceramic lining for the bottom and side walls of the mixer
- Single or dual side doors ensure a rash of molding from the mixer
- Weighing tank for return mass and additions such as new sand, bentonite and coal dust
- The pneumatic feeder of additives to the mixer
- Venting system of mixer chamber at the time of loading the return sand
- Automatic control of molding sand parameters, including minimum humidity control, compactibility and compression strength, while additionally scored will be more advanced measuring systems guarantee an additional opportunity to measure parameters such as total bentonite, active bentonite, and ensuring the possibility of sand control and correction of its parameters during the mixing cycle. The degree of technical sophistication of the molding sand measurement systems will be evaluated according to the criteria specified in Section 13
- The mixer control with PLC
- Connection Cabinet

Guarantee and elements of the service package:

- Supervision of the assembly and start-up (accommodation and travel costs of the service included)
- Guarantee Package for complete device with all its components

3. The period for the realization of the contract.

A maximum of 6 months from signing the contract.

4. Place of the delivery

DAP Metalpol
Metalpol - Węgierska Górka Sp. o.o.
Kolejowa Street 6
34-350 Węgierska Górka
POLAND

5. Partial orders.

Buyer does not accept partial bids.

6. Information about the variant tenders.

Buyer does not accept the variant tenders.

7. Conditions for the participation in the contest and assessment of the fulfilment of these conditions.
